

\$63,000 given to local charities this year!

The RPC Women's Association had a wonderful luncheon in the Grape Arbor on Monday, June 11, as we honored 21 Westchester organizations that serve women, children, and other underserved populations. Our grants are made possible through the success of our Thrift Shop. Thank you to all of the volunteers and donors for a record year! The luncheon was a great time to see first-hand all the good work that our Thrift Shop does for our community. We appreciate the continued support of donations, volunteers, and shopping!
